2023 Hemp Handler Certificate

The Nevada Department of Agriculture (NDA) certifies the following hemp handling site to receive and conduct agricultural processing on raw hemp per NRS 557. This certificate is subject to the laws of the state of Nevada, including the provisions of Nevada Revised Statutes (NRS) Chapter 557 and Nevada Administrative Code (NAC) 557. This certificate is contingent upon compliance with state and/or federal regulations.

Business name: CannVital NV LLC
Nevada Business License Number: NV20191551941
Production County: Clark
Location: 6021 W. Badura Ave Suite #120, Las Vegas, NV 89118
Approved for: Grinding, Heptane and Alcohol Oil Extraction
Special Conditions: None

This certificate is non-transferrable and shall be conspicuously posted in the establishment indicated above. The certificate is only valid through the expiration date and for the location and process listed above.

If sourcing Nevada grown hemp, the hemp grower must be certified by the NDA. If sourcing hemp outside the state of Nevada, it must meet the requirements as described in NRS 557 and NAC 557. This certificate does not guarantee that sourced hemp has been verified to meet the requirements as set forth in NRS 557. This certificate authorizes the facility to handle raw hemp and does not represent verification that an inspection has been performed by a local health authority nor does it approve end products. This certificate does not verify that the facility meets all requirements of the local and/or state jurisdictions. Handling facilities are subject to NDA staff inspections at any point in time to determine compliance with federal/state regulations.
